HEY, KID, GET SMART ~ THIS LITTLE RAP IS AT THE TOP OF THE CHART!
PAY SOME ATTENTION ~ IT COULD HELP AVOID SOME UNWANTED DETENTION!

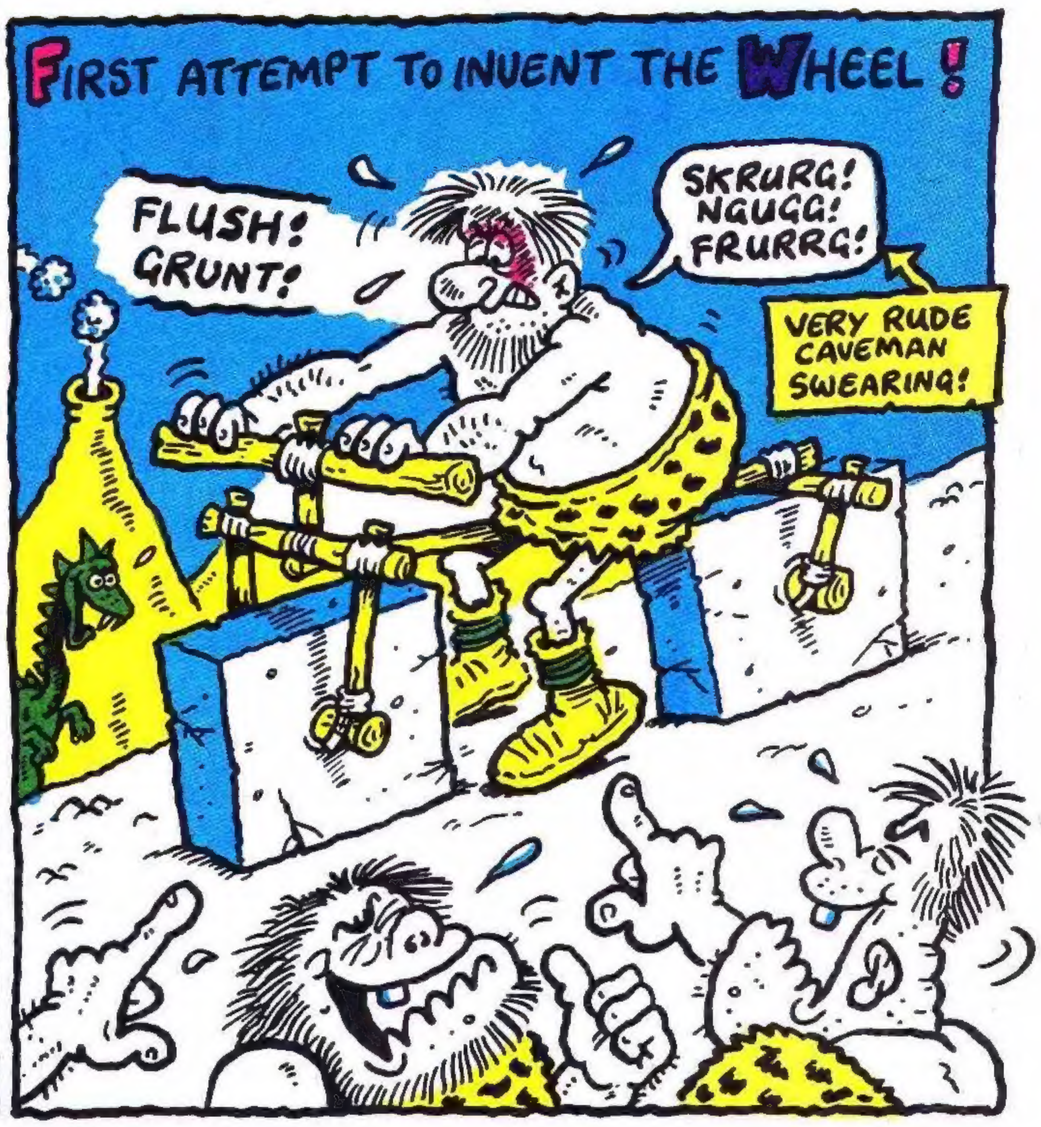

History is no mystery - just Kings and Queens making schemes.
Heroes with good intentions,
And people with brains coming up with great inventions.
That Roman Nero he was no hero,
But King Canute - now that guy was cute.
And in 1066 poor Harold took a pasting at Hastings,
When an arrow from the sky hit him right in the eye,
And ended up as you can see,
Being stitched up by the Normans on a tap-es-try!

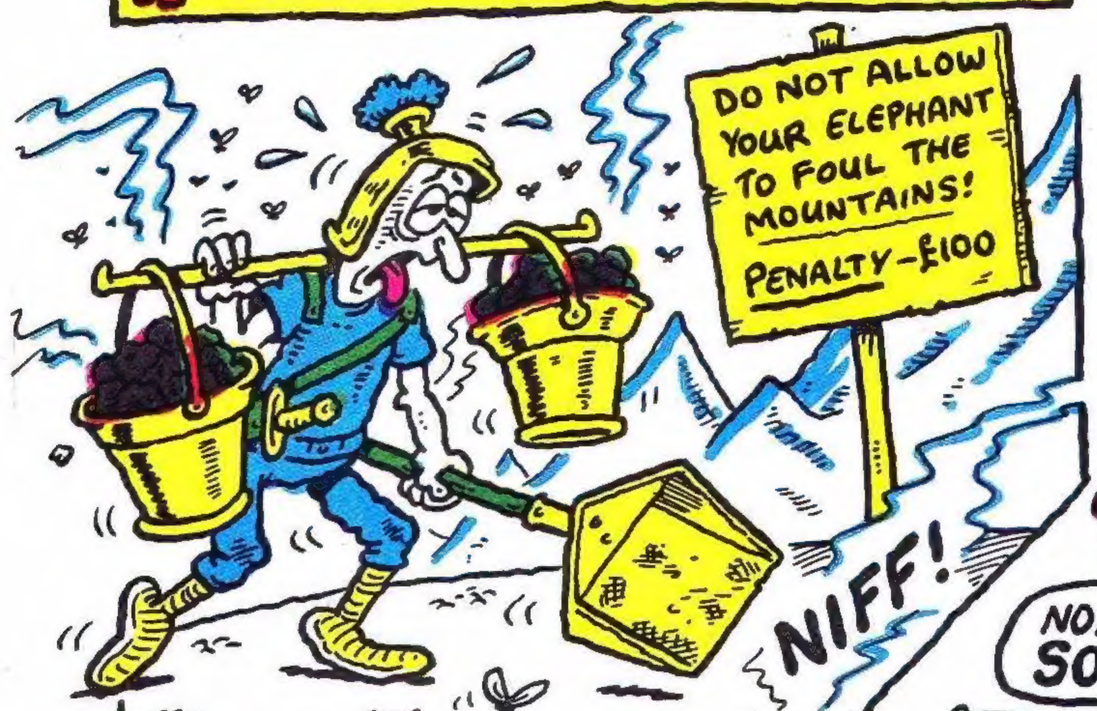

THE BATTLE OF HASTINGS! ~ ~~1069~~ ~~1166~~... (er... a long time ago.)

FIRST ATTEMPT TO INVENT THE WHEEL!

HANNIBAL CROSSES THE ALPS!

Yeah, History is no mystyery,
Just dinosaurs and l00 year wars.
Hannibal took some elephants across the alps,
On his way to collect some Roman scalps.
Not at all pleasant for that poor trooper,
Who had to follow on behind with a giant pooper-scooper.
And remember that famous exploration,
Livingstone was all alone when he discovered a great new nation.
They said the Earth was flat - but Columbus wasn't having that.
And Marco Polo he was skint,
Till he went to China and made a mint!

THE SAUCE OF THE NILE!

JAMES WATT AND STEAM!

History is no mystery.
In the Middle Ages books had illuminated pages,
And being a peasant wasn't very pleasant.
Rats carried the disease that brought people to their knees.
Then came the Industrial Revolution,
Which brought us all a new institution.
The age of the machine - and James Watt letting off steam.
It was Stevenson's Rocket that put cash in his pocket.
Now we've come to the end of this little feature,
History is no mystery - if you happen to be a teacher!

FIENDISH feet HALLOWEEN COMPETITION

WIN A FIENDISH HALLOWEEN PACK!

It's Halloween, and as you would expect on the spookiest night of the year, the Fiendish Feet are out and about having lots of fun with their Fiendish Friends!

This year will be even more fun since lots of new Fiendish Feet characters have joined the gang - 4 Fiendish Feet Tremblers - Wobbly Yogurt Jellies with tempting sauces and 4 Fiendish Feet Dairy Desserts....not to mention Cheesey Wheesey the Fiendish Feet Cheese Spread.

All of the Fiendish Feet characters have unusual names which give you clues about them. So, with this in mind, how good do you think you are at matching up the name to the right character?

As you can see in this picture,3 of the new Fiendish Feet characters have letters (either A, B or C) beside them. Two of these characters are new Fiendish Feet Tremblers - Flossie Flame who's a real dragon when in a bad mood and Mesma Eyes who will put you under a spell with her whirly gig eyes. The third character is a smooth Dairy Dessert who goes by thr name of Pharoah Nuff and looks like an ancient Egyptian. Using these extra clues, all you have to do is work out which character - A, B or C, matches the name featured in the box.

Once you've worked it out fill in the entry form with your answers, name and address and send it to:

The Fiendish Fridge, PO Box 1961, Hall Green, Birmingham B28 0XU.

Entries to arrive no later than 2nd December 1991

The first 30 correct entries to be drawn out of the bag after this date will each win a Fiendish Halloween Pack containing a number of fiendishly fun prizes such as a Boney Skeleton Cut Out Fun Book, Fiendish Feet bum bag, a set of Crayola fluorescent pens; multi-coloured face paints; monstrous Fangs A Lot mug; Silly Putty; siren balloons and monster finger puppets.

☐ **Is Pharoah Nuff** ☐ **Is Mesma Eyes** ☐ **Is Flossie Flame**

Fangs a Lot Mug Offer, PO Box 1961, Hall Green, Birmingham B28 0XU.
